The grantee is responsible for any amount of GST applicable from the receipt of the grant funds.

Where a Grantee is not registered for GST, funding will be paid in the granted amount on the scheduled payment date.

In the case of a Grantee being registered for GST, funding will be paid on the scheduled payment date if a valid tax invoice is received by Georges River Council prior to that payment date. Georges River Council will advise successful applicants for which a valid Tax Invoice is required i.e., of the amount of the grant.

Should a Grantee not have an Australian Business Number (ABN) funding will only be paid on the receipt of a completed "Statement by a supplier – Reason for not quoting an ABN to an enterprise" form. Council will provide this form to Grantees without an ABN if required.
