Summary

Q1 Project Name

Inner West Autism Dance Therapy Club

Q2 Brief Project Description (250 words max)

As part of varied social experiences for autistic children we wish to introduce a Dance program to run across a whole school term. The program will be run by a qualified dance teacher who has a good understanding of the needs of children on the autism spectrum.

Q3 Please provide an outline of your project (500 words max)

Our goal is to provide this Dance program for groups of children with autism for 10 weeks during the year. Dance is one of the purest forms of human expression. In recent years, dance therapy has gained attention for its benefits for children with autism. It helps improve concentration, which will help a child progress with their education, it helps with body awareness and general motor skills. Another great benefit from this form of therapy is it helps children develop higher levels of empathy. This is because by gaining social skills, children with autism will better understand emotions and be able to determine how others are feeling. Last but not least, it is a great way for children with autism to express themselves.

Q4 Which of the following local community priorities below does your project address?

A4 - Aged, Disability or Youth Services

Q5 Who will your program benefit?

People with disabilities

Q6 Approximately how many local resident recipients will your project benefit?

2016 ABS indicates approx 910 people on Autism Spectrum with this LGA

Q7 Approximately how many local resident volunteers will be involved?

1

Q8 Will ALL the ClubGRANTS funding you have requested be spent within the Local Government Area in which you are applying?

Yes

If not, approximately what percentage will be spent outside the local area?

Q9 What is the proposed commencement date and completion date for the project? Commencement date:

01/07/2019

Completion Date

30/06/2020

Q10 Can your project be broken down for part-funding? If so, how?

The funding sought is largely to cover the fees of the dance teacher. If we were to receive less, we could look at waiving the administration and promotion costs involved in our management of the program, however this is not ideal as we are a small charity.

Q11 Will your project still be viable if you receive less than the requested amount?

Yes

Q12 Has your organisation received funding from another club in the past 12 months?
