Autism Community Network
Applicant ID: 561
Application #2248

Dear Applicant/s,

ClubGRANTS - 2018

I refer to your recent Category 1 application to the Hornsby Shire ClubGRANTS scheme for financial assistance from Registered Clubs for expenditure on specific community welfare and social services, community development, community health services and employment assistance activities.

Your application was presented at our recent Board Meeting and we are pleased to advise you've been selected as one of the successful applicants for financial assistance from Magpies Waitara.

On Wednesday 22nd August at 10.15am, we would like to invite you to attend a cheque presentation morning tea where we will be presenting you with a cheque for \$1400, being our contribution for funding to your organisation.

As a requirement of legislation, a Standard Funding Report Form must be completed online and forwarded to us upon completion of the program, project or service. If a report is not received prior to the end of May 2019 additional funding will not be considered, except in exceptional circumstances.

If you could please RVSP via email info@magpieswaitara.com.au or contact me on 94871066 by Friday 17th August 2018 to confirm your attendance.

We hope our donation helps in some small way and wish you every success in the future.

Yours faithfully

ANDREW VELDON
OPERATIONS MANAGER
For and on behalf of the Board of Directors
