Dear Ms Stevens,

**Re: 2013 Sutherland Shire Council and Toyota Australia Sustainability Grants**

[In reference to this correspondence quote: GS/06/648547]

I refer to your organisation's application for funding for the Menai Autism Community Connect Project.

Council and Toyota Australia has considered all grant applications received under the Sustainability Grants program. Your organisations application was unsuccessful this time.

The Sustainability Grants program will be open again in July 2014. Council also administers ClubGRANTS in March and the annual Community Service and Arts Grants Program in September each year. Your organisation is encouraged to apply. Information regarding these grant opportunities are available from council's website at: [www.sutherlandshire.nsw.gov.au](http://www.sutherlandshire.nsw.gov.au).

Thank you for taking the time to apply, if you wish to discuss this matter further, please contact Jayne Gan, Community Development Officer on Ph: 9710 0602.

Yours faithfully,

Kristi Owen
