Dear Mr Drakoulis

I am very pleased to advise that your organisation, Autism Community Network Incorporated, has been successful in its application for funding under Volunteer Grants 2018.

The Australian Government recognises the vital contribution of volunteers in strengthening and enriching our communities. This grant will help your organisation support your volunteers to carry out their important work.

In Australia, more than 8.7 million people volunteer each year, freely giving their time and skills to help others. Volunteers are an important part of the fabric of our society, whether it be helping out in times of disaster or crisis, or helping out in the school canteen, our museums and galleries, or supporting local sporting teams.

The Department of Social Services will send your organisation a Letter of Agreement regarding your grant. Please accept the Letter of Agreement as soon as possible to enable the Department to process your payment quickly. If you have queries about this process, please call the Community Grants Hotline on 1800 020 283 or email support@communitygrants.gov.au.

Congratulations on your organisation's success under Volunteer Grants 2018. I trust this funding will make a difference to your organisation and benefit your volunteers.

Yours sincerely
