Dear Mr Drakoulis

RE 2019 ClubGRANTS – Application Id No.20736

I refer to your application received online, for consideration of funds from the Club's ClubGRANTS.

In accordance with the ClubGRANTS guidelines, your application along with all other applications received by the Club, were referred to the Inner West Council committee for assessment and ranking in accordance with local community priorities. Following this process all applications are further reviewed by the governing body of Wests Ashfield.

Following these considerations, we are pleased to advise that your application for funding has been successful for an amount of **\$2,800.00**.

This payment will be presented to your organisation as part of the Community Spirit Awards to be held at the Club on Tuesday, 27th August 2019 - an invitation is enclosed. Please note that attendance at this presentation is compulsory.

Prior to accepting our approval, we request that all recipients agree to the following:

- Being present at the above-mentioned function.
- Assist the Club in publicising the approval of funds for your program or project where required, and agreeing to publicise the Club's logo and name in your Annual Report, publications and on any other agreed medium or vehicle.
- Allow the Club to transfer funding into your organisation's bank account (as per the details provided in the application) by 31st August 2019 – this is a requirement of the Act.
- In addition, we enclose a Standard Funding Report form which needs to be completed at the conclusion of your project and returned to the Club. Should your project not be completed within six months we request that you supply a progress report of your project to-date.

We wish you every success with your project and we look forward to seeing you at the presentation.

Yours sincerely
